### Description

Vico Viganò, originally from the province of Milan, was a painter but above all an engraver, an art in which he achieved the greatest recognition. His painting is characterized by strong colors, rendered by broad and textured brushstrokes; he mainly produced landscapes, places where he lived. This work represents the portrait of a man. Dimensions: 50 cm x 40 cm Artist's stamp on the back - Unsigned work Sold as is - Unframed - Provide cleaning
