Description

Art Deco painting charcoal drawing and color watercolor on vellum paper signed P. RAIG-HASSE (Pierre Raighasse 1912-1960) Breton School depicting a village market animated by presumed characters from the Bigouden country located in southern Brittany. Framing underlined with a gilded leaf molding. Dimensions: 40 cm X 32 cm / at sight: 26 cm X 18 cm. Pierre Raighasse (1912-1960) painter of landscapes, mainly Breton. He is an architect by training, taking advantage in his early years of a long stay in Oceania where he was called upon to draw up the plans for several public or religious buildings in New Caledonia, including the Ethnographic Museum of Nouméa.
