Description

Inspired by the Empire style and combining Modernism, these pedestal tables are in solid cherry wood and veneer of the same species. The top has a quatrefoil veneer and the waistband a vertical veneer. These tables open with a drawer embellished with a chiseled bronze button, reminiscent of the shape of a flower. Each is made up of three columns in solid cherry wood, turned and bellied. These rest on a four-leaf veneered base. The set is supported by three small ball feet. These pedestal tables will charm you with the luminous color and delicate grain of their wood essence and with their airy design. *****

Period: Mid-twentieth Perfect condition after restoration in our workshop. Finish: Satin varnish. Delivery possible, in France and in Europe, by our partner specialized in the transport
