Description

Old gold bracelet made up of 2 rows of openwork oval links decorated with filigrees held together by gold clasps. The clasp is a spring ring. Period: 20th century Main material: yellow gold, 750 thousandths, 18 carats, eagle's head hallmark. Proportions: Length: approximately 18 cm, height of the motifs: 4.8 mm, length of the motifs: approximately 13.7 mm, inner circumference: approximately 16.2 cm. Net weight: 5.9g approx. Authentic old jewel - French work from the beginning of the 20th century. Our opinion: this old gold bracelet is probably made up of pieces of an old chain assembled together.
