resistant rugs is certainly recent. But the skilful and precise knotters as well as the "Ostads" cardboard designers have imposed their know-how thanks to the perfection of their work and the amplitude of the range of designs and colors.

Second holiest city in Iran, 150 km from Tehran, Ghom is a major theological center. The knot used is the Persian knot tied very tightly on a fine wool of very good quality.

The decorations of plants, flowers, intertwined plants and animals, as well as the use of wool mixed with silk is done regularly.

Each type of design remains stylized and the use of colors on the ghoom is always very harmonious.

Our model presents a geometrical medallion with flowers in ivory and rust, its turquoise blue field is covered with bouquets of flowers and interlacing. The set offers the impression of a Persian garden, flowerbeds, central fountain, alleys, classic Persians.

Marketing is done under several names: Qom, Ghom, Gom, Qum, Kum, and Ghoom.

Our model with plant decoration is in perfect condition, in a beautiful classic spirit and unusual colors.

Note the turquoise blue of the field, a stone from Persia, and an admirable color which offers an attractive setting to the whole room
