Description

Astonishing object, fruit wood, fully folding, inspired by oriental Koran holders, base, designed like a portly Louis XV regional sideboard, presents on centre a remarkable high relief: a sword thrower straight out of a spectacle from Malaysia...

Cylinder hinge cut on centre, rocaille molding in-between, high cut-out backplash, carved of a heart with 3 stars surmounted by 3 palmettes, it is standing on bouquet of popular flowers.

Another mystery object, fruit of the imagination of readers of travelogues..

Primitive French art work from 18th century or early 19th century....

Dimensions: 34cm x 13cm x 3cm folded, and 19cm apart.
