3 300 EUR

Period : 19th century

Condition : Parfait état après restauration. finition cirée.

Width : 94 cm

Height : 100 cm

Description

Corner unit in solid Walnut composed of a drawer in the upper part opening with a bowl button and a door pulling to the right. This door features a miter cut frame and slight inward molding. The central panel is composed of a single walnut board, without joints. The old lock and key are in working order and the entrance is wooden. Upon opening, we discover an adjustable shelf on a rack. On the sides, two small reserve panels bring a touch of originality to this elegant corner. The solid Walnut top is fitted with a corbin's beak molding and a return groove. With its sleek style and warm colour, this furniture will easily fit into your interior. ******* Period: Late 19th century Perfect condition after restoration. Waxed finish. Delivery possible, in France and in Europe, by our partner specialized in the transport
