Description

Small piece of furniture on all sides fitted with a beautiful white marble slightly veined with gray castrated in a molding around its perimeter. This piece of furniture benefits from a lightened or hollowed-out drawer in its end, pulled by a brass button. This set rests on four 'baluster' legs in heart of walnut, slightly more supported than the rest of the piece of furniture. The lower part is composed of a door accompanied by its brass button. This is supported by a plinth. You will be seduced by the size and originality of this small piece of furniture, which can be used as a side table, side table or bedside table.
