Description

Beautiful Louis XV style solid walnut coffee table decorated with carvings. It features a rectangular shaped movement top and features a miter cut surround with cove molding. In the centre, four solid walnut boards form a magnificent tray with delicate veining. The grooved and recessed belt is carved with scrolls and flowers. It has in its center a shell surrounded by arabesques. This Louis XV table rests on four curved legs with grooves on the sides. In the upper part, each foot is provided with a sculpture composed of volutes, flowers and leaves and ends in a volute. This hectic center table will delight you with its bright color and ornamentation. ******** Period: Early 20th century Excellent condition after restoration in our workshop. Waxed finish. Delivery possible, in France and in
