Description

Large circular wrought iron pedestal table topped with a thick red granite top in shades of brown and gray. The solid structure in shaped iron, meticulously worked, is made up of 3 elements, the upper part of which is a console.

Accompanied by large scrolls, they join together to form a wide tripod foot in the lower part. The open volutes adorning these elements are decorated with motifs reminiscent of ropes. The intensity of the colors of the granite and the harmony of the structure make this pedestal table a refined piece of furniture which challenges by its elegance and its robustness. ***** Period: 1970 Excellent condition after restoration in our workshop. Delivery possible, in France and in Europe, by our partner specialized in the transport of furniture. Dimensions: Diameter: 95 cm
