Description

Pretty large crystal bowl by Daum, "crater" model, referenced. A very nice effect and a beautiful shine for this crystal cup with a granite effect on the cup which gives this very shiny and timeless finish. Beautiful round shape, very thick crystal, really high quality. Perfect condition, signed "Daum France", 1st choice therefore. Very heavy piece, more than 4.2 kilos, 25 cm in diameter. A very beautiful piece, with an impressive brilliance.
