

R.lalique Lucerne Cup

450 EUR

Signature : René Lalique

Period : 20th century

Condition : état correct

Description

R.Lalique superb round goblet in matt and shiny satin molded pressed glass decorated with ears of corn. Lucerne model created by René Lalique in 1943. Diameter: 30.5 cm Height: 3.5 cm In good condition, some scratches from use due to its age which does not detract from this pretty decoration of ears of wheat. Signed R.Lalique at the tip.
