Description

Charming mirror: pretty dimensions: 40cm x 28cm, frame is oak, simple, covered on front by an octagonal bronze gallery, openwork and formerly gilded, bulding one nailed frame. Small openwork pediment, (bouquet of flowers in a vase), suspension ring... The mirror is antique mercury silvered mirror, which gives this beautiful depth to the faces it reflects. A few stains, silvering defects, a few scratches, as always...

Atypical and charming mirror.

Item recomposed with antique elements, bronze and glass recut and adapted

Condition is good. Original gilding is only a souvenir in some recesses. A few things to fix.
