

Inkwell In Silver Bronze Louis XVI Period

970 EUR

Period : 18th century

Condition : Très bon état

Length : 27

Height : 12,5

Depth : 11

Description

Inkwell from the Louis XVI period in chiseled silvered bronze. Composed of two reservoirs in the shape of a cassolette, lifting by a lid with a pine pine grip and a central monogrammed candlestick. The removable buckets are made of pewter. The base is decorated with palmettes and rests on four ball feet in silvered bronze. In very good shape.
