5 800 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

### Description

Slender old ring with an oval setting adorned in the center in a closed setting with a tsavorite garnet surmounted on either side by a falling line of 5 rose-cut diamonds. The basket is perforated with triangular patterns. It is numbered within the ring 16387. Period: 20th century Main material: 750 thousandths white gold, 18 carats, eagle's head hallmark. Garnet weight: approximately 2 carats, certified natural by laboratory. Proportions: Height: approximately 15.2 mm, width: approximately 9 mm, thickness: approximately 5.8 mm, width of the ring at the base: approximately 1.3 mm. Net weight: about 2.7g. Old jewel - work from the 1920s. Our opinion: a green garnet, called tsavorite garnet, magnificent with a vibrant hue and particularly well highlighted on this fine old ring. Sizing
