Description

Discover this magnificent pair of mother-of-pearl and diamond pendant earrings of incomparable elegance. Crafted in 18-carat white gold with a 750/1000 alloy, these earrings are distinguished by their refined design and fine craftsmanship.

Each earring features 32 perfectly cut diamonds, totaling 1.6 carats of pure brilliance. These sparkling diamonds illuminate the earring, adding a touch of glamour and sophistication to your look. Their perfect proportions and captivating brilliance will catch everyone's eye.

At the end of each pendant, a sublime 5 mm round mother-of-pearl pearl catches the eye with its natural beauty and pearly sparkle.
Mother-of-pearl, known for its luminosity and

iridescence, lends these earrings timeless charm and a delicate touch of femininity.

For added comfort and security, these earrings feature an Alpa clasp that guarantees a delicate closure while holding the earrings securely in place. So you can wear them with confidence all day long, without worrying about losing them.

Weighing just 4.9 grams per earring, this jewelry is light and comfortable to wear. Their articulated design lends them a subtle suppleness, allowing them to move gracefully to the rhythm of your movements, adding a dimension of dynamism to your look.

These earrings are both chic and discreet, making them perfect for everyday wear. They can be easily adapted to any outfit, whether for a day at work, a special evening or a formal occasion. They're the ideal choice for those seeking a touch of sophistication and timeless elegance.

In short, these mother-of-pearl and diamond pendant earrings, with their striking design and impeccable craftsmanship, are an exceptional choice for those who appreciate the subtle beauty and timeless sparkle of fine jewelry. Add a touch of glamour to your style with this classic yet modern pair of earrings.
