

## French Emerald Ring Oval Shape Set With 12 Diamonds In White Gold

5 500 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

### Description

Discover this magnificent French ring topped with an exceptional oval emerald, set with 12 sparkling diamonds, all designed in 18-carat white gold. This exceptional piece embodies elegance and refinement, with a design that's sure to captivate every eye.

At the heart of this ring is a remarkable 7x5.5 mm oval emerald, perfectly enhanced by its delicate setting. To amplify the brilliance and splendor of this gemstone, six trapeze-cut diamonds totaling 0.60 carats in G color surround it with finesse. In addition, six brilliant-cut diamonds, also totaling 0.60 carats, in G color, complete this harmonious set. Each diamond is carefully set with a pair of claws in 18-carat white gold, adding a touch of sophistication and precision to the ensemble.
