Description

Drawing made in pencil on paper measuring 15 x 19 cm by artist Alberto Pasini (Busseto 1826 - Cavoretto 1899) depicting a female face datable to around 1870.

The work has the signature A.Pasini in the lower right corner, above a small piece of paper cut out and glued from the same sheet of paper, this probably because the signature was previously placed in the lower part of the entire sheet (as of can be seen from the cut out box) and later moved under the pencil figure to fit into the frame that was put to the drawing.

The state of preservation of the work is good.
