34, Avenue Victor Rousseau
Bruxelles 1190

Numbered: 185.620

Perpetual mechanical movement

Good condition (very light traces of use on the brass)

The clock is in perfect working order and keeps perfectly time.

Please note: the number indicated on the box doesn't correspond to the one on the clock... (?)
The box is however identical to those which accompanied this model...

The first Atmos clock was created in 1928.
It derives its energy from temperature variations and does not require any winding.
