master's degree on October 1, 1770. After having lived in rue de la Roquette, at the "Roy de Naples", he resided in rue de Charenton until around 1786. This carpenter produced good sculpted works, such as bedsteads "with grooves, candles and tailpieces". Under Louis XV, Nicolas-Louis Mariette made delightful cabriolet armchairs, in the manner of Falconet. Under Louis XVI, the light and fine manner of Nicolas-Louis was to assert itself. Nicolas Louis Mariette deserves an enviable place in the phalanx of good 18th century seat manufacturers.
