Description

Realistic, slightly idealized representation of the face of a young woman executed in stucco. It is somewhat reminiscent of the Greco-Buddhist art of Gandhara, but stylistic characteristics such as the type of hairstyle, the earrings and the modeling of the face allow it to be classified as Indian art. India, Gupta period (4th to 5th century CE), or later. Height 15 cm (24.5 with stand), width 10 cm, depth 12 cm. Condition as seen in photos, good, minor rubbing and loss. Free delivery in EU. ! I send parcels by insured courier (DPD or DHL). All items are packaged very carefully. As for payment, the most convenient for me is bank transfer.
