

## Oil On Cardboard, Mythological Scene With Horse, 20th

950 EUR

Period : 20th century

Condition : Bel état

Material : Oil painting on cardboard

Width : 65

Height : 64

### Description

Scene surely inspired by mythology, with a symbolic significance, representing a winged white horse with a man dressed in yellow, his eyes blindfolded by a white scarf and small horns on his head.

The touch is lively and brings movement to the scene, the pencil stroke is sure. In the distance a sun inspired by the landscapes of Edvard Munch
