1 800 EUR

Period : 19th century

Condition : Très bon état

Material : Opale

Diameter : 18 cm

### Description

While the historicism that marked the second half of the 19th century is well known, it is often seen more as a revival of the Louis XV style.

However, it is also neoclassicism that is brought up to date. Evidenced by this pair of vases with a simple and flared shape, evoking the Medici vase. In medallions, the allegories of music and drawing are represented. The set in very good condition is a peach color very fashionable at the time.
