

Pair Of Decorative Bronzes, 19th Century

2 600 EUR

Period : 19th century

Condition : Parfait état

Diameter : 10.5 cm

Height : 12.5 cm

Description

Are they the allegory of sowing and harvesting?
These two small patinated bronze putti, seated on gilded bronze bases, each carry an instrument necessary for agriculture. One holds a sickle, the other a grain bowl. The two together embody one of the oldest human activities since we settled down. A poetic ode to this nurturing work. These two bronze trinkets are in perfect condition.
