

## Bust Of Woman In Regulates

420 EUR

Period : 19th century

Condition : Bel état

Material : Gilt bronze

Width : 16.5

Height : 30

### Description

Regulated bust representing a woman with quercy grapes in her hair

Spelter: Bronze is an alloy of copper and tin while the spelter is made of an alloy of lead, antimony and sometimes tin.

Quercy: (in Occitan: Carcin, pronounced /kar'si, kʔr'ʔi/), is a natural region and former French province whose extent corresponded to that of the primitive diocese of Cahors
