Vintage Moroccan Berber Kilim Rug

590 EUR

Period : 20th century

Condition : Très bon état

Length : 180

Width : 96

Depth : 10

Description

Entirely woven by hand, pure wool, vegetable dyes, size: 180cmX96cm. The Moroccan Berber kilim is a very fine, flat-woven rug, inspired by the weaving techniques of Turkish and Persian kilim rugs. They have tighter knots which give them a certain finesse. The technique was adapted to their work to give birth to Berber Kilim carpets with bright and expressive colors.
