Description

Small desk in solid and veneered Cuban mahogany, opening in the upper part with two drawers with pull buttons and molded contours. Halfway up, a Doucine flap forming a writing desk reveals an interior in Mottled Maple. Two small drawers overlook a work area covered with leather with Fleurons d'angles and three friezes on the edge, one golden, the other two, finer, on a hard background. The leather was chosen in black color during its restoration, thus harmonizing this space, some elements of which have the same color. Note that the unlocking of the two top drawers can only be done by opening the central flap. As a belt, this desk offers a large drawer, shallower than it appears, with a compartmentalized interior. In the lower part, it features a molded strip with rounded cutouts, an
