Description

"Amulet For The Precious Livestock In Afghanistan" Incredible, the SWAT Valley is one of the only regions in the world where there are no tourists... And for good reason... Incredible that peoples, breeders live there for centuries, where everything is lacking: vegetation, water and even peace. Incredible, this adventurer, who disappeared today, who brought this land of Afghanistan, this testimony of life. Incredible this amulet, in wood monoxyle which was used both to recognize its animals, thanks to the pattern specific to each family and also to protect the precious livestock from all misfortune (thieves, wolves, lightning, diseases, drought, ...). Before entrusting the animal to the grigri, or rather before entrusting the amulet to his animal; it was filled with a prayer verse, blessed village
