

## Enamelled Terracotta Japan: The One-eyed Man With A Hat

1 500 EUR

Signature : A définir

Period : 19th century

Condition : Très bon état

Width : 15

Height : 45

### Description

Very beautiful and exceptional 19th century terracotta representing a one-eyed Japanese character with a hat. Very good quality of sculpture and color enamel! In very good condition (missing a small piece of the end of the little finger 2 mm) fairly large format of 45 cm in height by 15 cm for the base in width. Fairly heavy sculpture with good stability!! Do not miss ! Very decorative! Provenance castle private collection!
