Description

Together, coffee maker and its embossed and chased silver milk jug resting on a circular pedestal with gadroon molding and collar. The body is decorated in its lower part with a corole of palm leaves, the triple fillet underlines the body in the middle. The spout of the coffee maker is decorated with acanthus leaves. The same decoration is repeated on the handle fitted with insulators and chip rests. The hinged lid forms a dome covered with palmette leaves, it is surmounted by a socket in the shape of an acanthus button. Without monograms. Regency style. 950/1000 silver, Minerva Master Goldsmith hallmarks: Robert Linzeler * hallmark and a stamp in full on the milk jug Paris 1872-1941
