equipped with new shelves placed on racks, and therefore perfectly adjustable over a total storage height of 134 and 144 cm. These three spaces, which can be converted as desired, offer a depth of 35.5 cm to 38.5 cm. Note the possibility, at your will, to add more shelves. This Library is surmounted by Generously Molded Cornices, themselves overhanging bands embellished in the angles with Ornate Bronzes. The latter represent Vases filled with flowers and foliage in a Bouquet, as well as Palmette motifs. We also find these decorations on the lower crosspiece. The sides are composed of a single element, with a recessed panel in Pretty Speckled Mahogany veneer. The whole of this Property rests on six uniform feet distributed as follows: four in front and two in the back. All are Taper Turned and Fluted, embellished with a circular Brass Perlé. It should be noted that this Bookcase can be installed without difficulty in interiors with inconvenient access since it is entirely removable by a simple system of Reminder Screws. You will enjoy displaying your objects in this Furniture which has benefited from a Parisian Quality Manufacture. Its Elegance will make it one of your favorite purchases. ***** Period: Late 19th century Excellent condition after restoration in our workshop. Waxed finish only.
