Description

This oil on canvas is a portrait of a young woman from the 18th century. The woman's head is tilted slightly. Everything is handled with great skill. There is no signature, but probably an artist's hand. The frame is from the early 19th century in gilded stucco. You will note that the work is presented voluntarily unprepared, unrestored. It has some damage, we report cracks and wear, small lack of paint in places. Note wear and friction, gaps, splits on the frame. However, everything remains presentable. Our many photos allow you to appreciate the quality of the object. For the state thank you for detailing the photos. Do not hesitate to zoom in. The photos are an integral part of the description.
