### Description

Here is a biscuit subject that is more than expressive, the expression is good, the movement too. You can also feel the movement in the clothes. This couple is late 18th century, early 1900. The whole thing is large and weighs 4.7 kg. There is a hollow signature "H. Giraud" and the inscription "E & B" below, probably the factory, a 2108 print. This couple is in a good state of preservation, we point out for the most picky, a stain in the young woman's elbow, small cooking defects on the hat and the drape of the dress and the jacket at the back, rubbing from use, nothing unacceptable. For the state thank you for detailing the photos. Feel free to zoom. The photos are an integral part of the description. Dimensions: Height: 46 cm Width: 26 cm Depth: 22 cm
