

Group In White Marble And Patinated Bronze, Italy Early 20th Century.

9 500 EUR

Period : 20th century

Condition : Bon état

Material : Marble

Length : 65 cm

Width : 23 cm

Height : 49 cm

Description

Very beautiful group in white marble and bronze with brown patina representing two seated parents and their little girl standing on a bench outside. The bronzes are finely chiseled, the rendering is superb, especially as the contrast with the very white marble is significant. This group comes from a family where it was already present in the 1930s. It must date from the beginning of the 20th century. Probably Italian Neo-classical style work.
