## Description

Lost wax cast bronze Christ. Probably original wooden cross. The fine quality sculpture is certainly the work of a good artist. It would be interesting and profitable to find out who it is. I don't know much about European art but the sculptor who thought of this bead of skin above the nail hole of the feet was not a simple craftsman. Beautiful cast , neat scraper finish. Beautiful original patina. Good condition, the original nails are missing which can be done free of charge on request. Total height: 70 cm Height of Christ: 33cm (like his age).
