Description

This Napoleon III-style cabinet, crafted around 1860 in France, measures 105 cm in width, 110 cm in height, and 40 cm in depth. It is adorned with an elegant white marble top, adding a touch of luxury and refinement.

The two doors open to reveal internal shelves, providing functional storage while maintaining a sophisticated appearance. The façade is beautifully decorated with brass detailing, featuring delicate floral motifs, while the sides of the cabinet are embellished with sculpted female figures, adding artistic elegance to the piece.

This cabinet combines functionality with aesthetic beauty, honoring 19th-century craftsmanship and bringing a note of grandeur to
