

## Ramu River Mask In Papua

1 650 EUR

Period : 20th century

Condition : Bon état

Width : 23

Height : 59

Depth : 13

### Description

This mask has a very nice crusty patina with multiple layers of pigments. A bird sculpture is most certainly missing on the front of the mask. Coming from the mouth of the Ramu River, it was hung on a wicker frame carried on the shoulders of a man during major initiation ceremonies. It is presented on a metal base 73 cm high. Papua New Guinea Early 20th century
