Description

Beautiful wooden box carved on each side, recomposed during 19th century, with the reuse of a sumptuous lid with two birds courting each other, which dates from Louis XIV period.

19th or 20th century restoration was carried out by a skilled sculptor, so you have to put on your glasses to understand. It is a rare box.

Old cover shows one crack on both sides, take a good look at our precise photos.

Dimensions: 30cm x 20cm x 11cm. This object is for immediate purchase, payable by credit card or paypal.

- eclectic - antique dealers since 1970, Siret: FR 24.430113233. Invoice and Certificate are attached to each of our shipments.
