

Louis XV Cage Chandelier, In Crystal

3 250 EUR

Period : 19th century

Condition : Excellent état

Diameter : 60

Height : 105

Description

Louis XV style cage chandelier, with 9 sconces, in aged bronze and medal patina embellished with cut crystal pendants. The arms of light are alternated by cut crystal daggers. The top of the cage is surmounted by cut crystal daggers connecting the pavilion adorned with a baluster. The interior of the cage features a large baluster dagger surmounted by a small cut crystal ball. The perforated plate base retains a cut-crystal damping ball. Mounting entirely screwed by 4-sided tenon balls All the crystals are cleaned then reassembled with 0.6 annealed brass wire. Electrification in perfect working order. Height of the chandelier without the chain. 105 cms
