Description

Louis XVI style living room in solid rosewood and rosewood veneer on oak. Very good quality wood carving, detached columns, stripes of hearts, pearls and pediment cartridge. Together in very good condition of carpentry. The upholstery had to be redone in the 1960s, it is firm and can be used immediately. It will be necessary to change the fabric which is stained and torn on certain seats. The restoration of the 60s was made with flat springs, foam and horsehair. The foam profiles have deteriorated a bit and there is a fine dust of foam falling from the seats (the wood is very healthy). This should be discussed with your upholsterer. A pompom is missing on the back of a chair. Set sold in the state as in the photos. No discount possible. - 1 3-seater sofa, length 176 cm, depth 76 cm, total height 106 cm, seat 38 cm
