LE PLUS BEAU CATALOGUE D'ANTIQUITES

Carved Wood Panel. 15th Century Europe.

1 300 EUR

Period : Before 16th century

Condition : En l'état

Material : Solid wood

Length : 484mm

Width : 372mm

Height : 20mm

Description

Oak panel carved with a scene representing circumcision of christ . The action takes place in a church whose windows are still Roman. The characters are dressed in tunics in the medieval style. However, the parts of the panel framing the central scene were also carved with patterns which, probably very rugged, have been completely leveled off, there are still traces that can be seen in the photos.
