Description

Wedding Ring Diamond Yellow Gold 18 Karat

This 18 karat yellow gold wedding ring is a dazzling piece of jewellery, perfect to symbolise your eternal love. The 12 claw-set F-color diamonds (0690 ct in total) are of exceptional quality and sparkle in the light. The elegant and timeless design of the ring enhances the beauty of the diamonds, while offering unparalleled comfort and French craftsmanship. This ring is designed to last a lifetime, as evidenced by the eagle head hallmark that guarantees its 18K yellow gold, as well as the master hallmark that attests to the quality of craftsmanship. It is the perfect choice for a marriage proposal or to celebrate a relationship milestone. Whatever the occasion, this ring will be an unforgettable
