

Renaissance Style Carved Walnut Center Table

4 500 EUR

Period : 19th century

Condition : Bon état

Material : Walnut

Width : 1m20

Height : 82cm

Depth : 65cm

Description

Exceptional richly carved walnut center table in Renaissance style. It rests on 4 feet representing the biblical legend of Samson and the Lion.

"Samson victoriously fights a lion. He straddles it and immobilizes it with his left leg, while he opens his mouth, until the animal is torn in two."

This table has 2 drawers on the same side and is in very good condition. French work very very well done.
