Description

Square Piano Stool, with modestly moving sides, Louis XV style. The seat, Generous and in Perfect condition, is upholstered in a Pretty Gentian Blue Velvet with Galon finishes. It has the particularity of being adjustable in height over ten centimeters because it is mounted on a screw system. The latter is concealed under the Seat in a Turned Pendant Key. The set rests on a solid rosewood base, with carved decorations of Rocaille cartouches, shells and acanthus leaves. The four Legs, Arched, Molded, and finished in Windings, are joined by an X-shaped Spacer, embellished in its center with a protruding Flower. This Stool is of Impeccable Quality. With its comfortable seat, it provides a stable and healthy base conducive to inspiration. Musician, Writer, or other active Artist will be satisfied. No
