

Port Scene In Normandy Albert Nolet 19th Century

980 EUR

Signature : Albert Nolet

Period : 19th century

Condition : Très bon état

Material : Oil painting

Width : cadre 85/ toile 73cm

Height : cadre 105/ toile 93cm

Description

Large format oil painting on canvas 105-85cm representing the entrance to a Norman port at the end of the 19th century. Sailboats moored near houses with a bell tower in the background. Each part of this painting is particularly well treated: the cloudy sky, the reflections in the water or the details of the characteristic houses of the 19th century. Signed by the artist lower right.
