Description

This late 19th-century Empire-style desk is an elegant blend of style and functionality. Crafted from solid mahogany, a noble wood renowned for its rich color and durability, the desk exudes a sense of timeless quality. The desk's top is adorned with black marble, adding a touch of luxury and sophistication.

Featuring two drawers and a shelf, this desk offers ample storage space for documents and office supplies. Decorative elements such as sculpted legs and gilded bronze accents are characteristic of the Empire style, evoking the grandeur and majesty of the Napoleonic era. In excellent condition with no visible damage, this desk would be a valuable addition to any interior, combining aesthetics and practicality.
