

Fireplace Plate Project End XVIII

730 EUR

Period : 18th century

Condition : Voir fiche

Material : Walnut

Width : 43 cm

Height : 47 cm

Description

Draft walnut fireback from the end of the 18th century - at the latest from the beginning of the 19th century, decorated with a seated woman, draped in the Antique style, stretching her hands towards a fire placed on a pedestal decorated with a drapery. A net of pewter in relief draws the outline of the plate. Very nice patina of the wood. Cracks at the wood joints. Delivery costs: 30 euros
