

Tibet Bronze Buddha.

780 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 14

Height : 18,5

Depth : 11

Description

Bronze sculpture from the late 18th, 19th century representing a sculpted bronze Buddha with great finesse. Note a beautiful old patina and use which, in addition to its obvious construction qualities, leads us to believe that we are in the presence of a work from the 19th century or even from the 18th century. Possibility of sending in France and all over the world.
