Description

Virgin Openwork Medal Oval Gold Yellow

This beautiful 18ct yellow gold Virgin Mary medal is an iconic religious piece that will be appreciated by believers and collectors of religious medals. The Virgin is finely depicted with a halo, and her image is enhanced by an openwork design that adds a delicate touch to this piece. The oval medal has a satin polish finish that enhances the brilliance of the yellow gold and gives it a refined touch.
With a gold weight of 1.65 grams, this openwork Madonna medal is a precious and quality item, and its dimensions of 14 x 20 mm make it an easy piece to wear. The chain is not included with this medal, but you can easily wear it on a yellow gold chain to match your personal style.
