Description

Half-spherical cup resting on a stick and its saucer in guilloché silver are decorated in trompe l'oeil over the entire surface, a frieze engraved with stylized flowers underlines the edges of the whole. On the belly of the cup and on the terrace of the saucer adorns an oval medallion engraved with a monogram under the crown of the Marquis and garnished with acanthus leaves. Lateral handle in cast and chiseled silver is in the form of a stem decorated with leaves and flowers. The inside of the cup is gold. Napoleon III style.
